## There is a lot to record when you are running a charity and it's good to have it in one place.

This document has been designed to help you keep track of the information that you need to run your charity. You can also use it as a handover document for new members.

You can personalise it with your charity logo and update it each year as things change. Please use the sections that are relevant to you and delete the sections you don't need. Feel free to add sections that are relevant to your charity.
